

CareerBuilder.com and AIRS Oxygen Offer Real-Time Webservice Resume Database Integration

PRNewswire
CHICAGO

CareerBuilder.com, the largest online job network with more than 20 million unique visitors* and over 600,000 jobs, and AIRS, the award-winning developer of Oxygen(TM), the market leading Candidate Sourcing Automation platform, announced they have entered into an alliance to integrate technologies. The alliance is designed to provide a unified data platform and seamless source reporting solution, enabling mutual customers to quickly target, contact, and track candidates in order to gain a greater return on their recruitment investment.

Under the new alliance, CareerBuilder.com and AIRS will provide a seamless integration between the CareerBuilder.com Resume Database and the AIRS Oxygen(TM) Candidate Sourcing platform. The integration provides for a seamless data exchange and enhanced reporting capabilities so employers can reduce the time spent on candidate sourcing while also improving their ability to track the efficacy of their recruitment advertising spend.

"This new level of integration with CareerBuilder.com is really driving remarkable value for our joint client base," said Chris Forman, CEO, AIRS. "Initial client feedback has been phenomenal and we are seeing our clients deriving another level of value from both Oxygen as well as CareerBuilder.com. We're overjoyed with this new relationship."

CareerBuilder.com is the leader in the online recruitment industry with the most traffic and jobs, according to reports from comScore Media Metrix and Corzen. Currently there are more than 11 million resumes posted on the site with 15,000 new ones added daily.

"The AIRS partnership has been and will continue to be a valuable medium, helping CareerBuilder.com achieve total integration with our clients," said Matt Ferguson, CEO of CareerBuilder.com. "This partnership enables our clients to track candidates from our resume database, while streamlining the data entry process, leading to greater operational efficiencies."

*comScore Media Metrix, March 2005. The CareerBuilder Network is a custom aggregation of CareerBuilder.com traffic as well as job search traffic to career centers CareerBuilder powers for partner sites such as Tribune Company, Gannett, Knight Ridder and others.
