CHICAGO, Dec. 22, 2014 /PRNewswire/ -- CareerBuilder – the global leader in human capital solutions – was recommended as a "favorite vendor" among staffing firms more than any other human resources service provider, according to a recent survey from Staffing Industry Analysts.

The "2014 Staffing Company Survey" was conducted by [Staffing Industry Analysts](#) among 421 staffing firms in North America, Europe, Australia and New Zealand during the summer of 2014.

"The survey results are not surprising because when you partner with a company like CareerBuilder, you're not getting a vendor—you're getting a consulting arm that helps you become a better company," said Bill Kasko, president and CEO of [Frontline Source Group](#), a fast-growing temporary staffing agency and direct hire staffing service firm with locations in more than 15 markets nationwide.

"There are no other products out there that allow you to differentiate yourself as subject-matter experts to employers and hiring managers. With access to real-time labor market data, we're able to approach clients and say, 'We're in touch with what's happening in your market, and we can help you understand the market as a whole.'"
