

CareerBuilder Releases List of Top Jobs That Don't Require a College Degree and Pay ~\$20 or More Per Hour

CHICAGO and ATLANTA, June 28, 2018 /PRNewswire/ -- In the market for a job where you can make a good living, but don't need a college diploma to qualify for it? CareerBuilder published a new hot list of ten jobs that:

- pay ~\$20 or more per hour
- have grown over the last five years
- are projected to grow over the next five years
- don't require a college degree

"The path to success is different for everyone," said Matt Ferguson, CEO of CareerBuilder and co-author of The Talent Equation. "You can build a lucrative career through apprenticeships, post-secondary certificates or on-the-job training. There is significant demand for workers in everything from skilled trades to technology and health-related fields, and you can get your foot in the door without a formal degree."

The following includes historical and projected growth rates and average hourly earnings for in-demand occupations. It also provides the typical entry-level education requirement, though this may vary depending on the employer.
